IALLT does not hire, pay, guarantee, or in any other way vet or approve consultants. As a member benefit, we do provide a list of IALLT members who are willing to act as consultants. If you are a member you may see this list on this website under the CONSULTANTS tab. For non-IALLT members contact the Consultant Coordinator through the CONTACT tab. (Click CONTACT and choose Consultant Coordinator in the category pull-down menu.) As a reminder, any contractual arrangements between a consultant and a potential client, school, university, or other organization are entirely up to the parties.
