IALLT is a professional organization dedicated to promoting effective uses of instructional technology for language teaching, learning, and research. Professionals in the field of language learning technology, including language media center directors and (FL) instructional technologists, require knowledge from a broad range of disciplines. IALLT facilitates the exchange of information in areas such as, instructional media design and development, curricular integration, needs assessment, learning center layout, hardware and software evaluation, funding and grants, personnel, copyright, cataloging and lab management. IALLT is also a meeting ground for professionals with overlapping concerns: language teachers, librarians, lawyers, architects and others. We are a community of professionals dedicated to providing students the best methods and technologies possible in their language studies.
